

## Benefits for Veterans

Recent legislation allows eligible veterans who have taken approved licensing or certification tests on or after March 1, 2001 to have their fees reimbursed. The Board's licensing examinations have been approved for the new G.I. Bill program.

The Department of Veterans Affairs (VA) will only pay for the cost of the test and not others associated with obtaining a license or certification, such as application fees.

For more information, go to the GI Bill website at [www.gibill.va.gov](http://www.gibill.va.gov) and click on the link entitled **Licensing and Certification Tests**. Or you may click on the link entitled **Ask a Question** and send an e-mail inquiry.

If you do not have access to the Internet, you may contact the VA at 1-888-442-4551, or 1-800-829-4833 for the hearing impaired.
