***California Specific Examination will be administered as a computer based test (CBT) beginning March 14, 2012. All candidates will receive a letter from the CBT vendor with instructions on when and how to schedule their examination.**

California Code of Regulations (CCR), Title 16, Division 29, §3032(c): Whenever circumstances warrant, the board may postpone, advance, or otherwise change the examination schedule previously published.

All forms and fees for “Application to take Geologist/Geophysicist Examinations” must be postmarked by the final filing date specified in the examination calendar. This includes: “Application for Administration of Examination”; “Independent Evaluation of Scope, Character and Duration of Applicant’s Qualifying Work Experience”; transcripts and representative reports (as required).

Application fees *and* examination fees must be paid at the same time (only 1 check is needed), in accordance with the published fee schedule.
